

BANDO/PROPOSTA DI TIROCINIO DIDATTICO CURRICULARE
NOTICE/PROPOSAL OF CURRICULAR DIDACTIC INTERNSHIP

‘Cultural Diversity’ Project

The project in which curricular internships are offered consists in the preparation and realisation of a University event on the occasion of the World Day for Cultural Diversity for Dialogue and Development, called by the United Nations Organisation in 2002 and since then celebrated worldwide on 21 May.

The University event, which will reach its fifth edition in 2025, is an opportunity for the academic community to appreciate the colours of cultural diversity through unique personal stories/experiences and is mainly focused on the presentation of interviews made by some students or other members of the academic community to artists or museum directors/curators from their place of origin (Italian or foreign). The aim is not to deepen a scientific-disciplinary focus, but to increase intercultural dialogue and knowledge in the academic community. The interviewed are either directly connected to the artwork (e.g. the director or a curator of the museum where it is stored) or publicly recognised artists in creative fields such as painting, architecture, sculpture, literature, music, performing arts and film. Registration for the 2021, 2022 and 2024 editions can be accessed via the following links:

The preparation of the event takes place in several stages in which the trainees participate and contribute directly under the supervision of Prof. Federica Mucci and the offices involved in the organisation of the event.

Interviews are not proposed by the trainees. Initially, a ‘call for proposals’ is sent by the organisers to all members of the academic community to collect interview proposals by a deadline; the proposers are then contacted and by April the interviews are recorded, then subtitled in English and presented at the event on 21 May. Finally, work is being done on the production of ‘pills’ extracted from the recording of the event and the creation of a dedicated web page and an online archive of interviews from the various editions.
