The Faculty of Letters from Vasile Alecsandri University of Bacău, Romania, in cooperation with the Faculty of Humanities, Konstantin Preslavsky University of Shumen, Bulgaria, and the Department of History, Humanities and Society, University of Rome Tor Vergata, Italy, will organize the 16th edition of the BA and MA students' scientific conference ***Models for a Continuous Dialogue. Past and Present Challenges*** on **April 28 2023**, online, on Microsoft Teams. The event is open to both undergraduate and M.A. students who may propose papers connected, but not limited, to the following research areas, with a particular focus on addressing past and contemporary challenges in the Humanities and Communication sciences:

- English/French/Romanian literature
- English/French/Romanian language and linguistics
- Discourse analysis
- Language teaching
- Translation studies
- Cultural studies, cultural anthropology
- Communication studies
- Media and society

The papers can be written in Romanian, English or French.

Proposals should be sent by March 31, 2023 to the contact email above by submitting student's name (in bold), specialization/programme of study, year, the paper title (in italics), coordinator's name, and email address of the student.

Follow this **model**:

Ioana POPESCU, English Studies I, *Models for a Continuous Dialogue. Past and Present Challenges*, coord. Assoc. Prof. Ion GEORGESCU, PhD
ioanapopescu@yahoo.com

Participants are invited to prepare 10–15-minute presentations using a PPT.

A selection of the best papers presented at the conference will be published in the following students' journals: in English, in *Robrit*, in Romanian, in *Caiete de comunicare*, in French, in *Reste à Voir* (<https://www.ub.ro/litere/studenti/reviste-studentesti>) in the 2023 or 2024 issues, or in other journals of the organizing institutions. Details about the publication process will be given to participants after the event.
